I hope you all are enjoying your time away from campus and getting much needed rejuvenation. As you begin preparing for your new semester and returning to campus life, I encourage you to reflect on the past academic year; on the take-aways, lessons learned, and the opportunities that await you in this new term. I advise you to make new connections and challenge yourself to learn/do something new often so to empower and bring yourself to higher heights of growth!

Email Issues?

Please remember to check your “Clutter” folders for emails from MSE as often as possible to avoid missing important communications. Emails will be sent to your Gatech email.

Student Printing Offered from OIT

Every student should be familiar with the printing capabilities that are offered by OIT. The base FAQ can be found here.

Summer Classes Transfer Credit from Local Community College

If you’ve taken classes at another College this summer and
would like to have the credits transferred to Tech you’ll have to request for your transcript(s) to be sent to the GT Registrar office so your records can be updated. These classes will not factor into your GPA calculations but listed as transfer credits.

Mandatory Ethics Requirement

There is a mandatory Ethics requirement for the MSE degree.

These course options are different from the GT Ethics course options shown in the GT catalog. New SENIORS, please check your Degree Works page via Buzzport to verify you have met this requirement. If not, and you are planning to graduate fall 2017, you will need to pick up a course in Phase II Registration (August 12 - 25, 2017).

The MSE Ethics course options are listed in your Degree Works page under Core Area “F.” They are: CS 4001, CS 4002, PHIL 3105, PHIL 3109, PHIL 3127, PHIL 4176, HTS 1084, HTS 3032, INTA 2030, LCC 3318 or PUBP 3600.

Courses: HTS 2084, HTS 3032, INTA 2030 & PUBP 3600 can be used to satisfy multiple requirements such as Social Science/Humanities Electives/MSE Ethics.
Don’t forget to backup your data to external entities like the Cloud, portable hard drive, USB, etc.
