

MSE Undergrad News & Notes January 2021

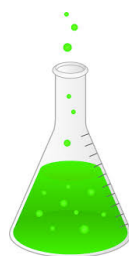

Happy New Year and welcome back to a new academic term! The year 2020 brought many challenges and adjustments, but together we all managed through it and have learned many valuable lessons. It was impressive to see the level of resilience and determination exemplified by our students during this most unusual and unprecedented year. In spite of it all, I hope you enjoyed your time with your family and friends and are ready to start 2021 off on a strong footing. As you acclimate to your new classes and schedule, please be mindful of the deadlines and events that are coming up in the next couple of weeks.

My word for 2021 is "Rejuvenate" what is yours?
