The new school year will begin next week and everything is starting to fall into place. Whether it is your first year on campus or your last, you will feel a mix of emotions as you begin the semester. As you move in or return to the place you will be living, you will settle in and picture yourself doing schoolwork, you will begin making new memories, you will meet new people and you will establish a presence in your new community. I encourage you to give yourself the permission to be “ALL IN!”

Campus Printing Options

Every student should be familiar with the printing capabilities that are offered by OIT. The base FAQ can be found here.

Did you take summer classes at another school?

Need to Transfer Credit?

If you have taken classes at another school this summer and would like to have the credits transferred to Tech you’ll have to request for your transcript(s) to be sent to the GT Registrar office so your records can be updated. These classes will not factor into your GPA calculations but listed as transfer credits.
Declare A Concentration

Juniors, you must declare a concentration as early as possible to be able to schedule and register for all needed classes for degree requirements. Seniors, this needs to be done before your degree audit can be complete! Find out more here.

Come Meet Kerry!

Stop by Love 290 to meet our Educational Outreach Manager, Kerry Wallaert! Kerry joined the MSE team in November 2018 and is happy to be with us in MSE.

When she is not at GT, you can find her working on her Ph.D. in Educational Policy Studies at Georgia State. Kerry loves coffee, working out/hiking, and volunteering. She currently serves as a Court Appointed Special Advocate for youth in foster care in Cobb County. Kerry has certificates in Strengths Coaching, leadership development, and behavior based interviewing.
MSE Student – Industry Mentor Program

Applications are now available for all MSE undergraduate students! Complete the MSE Mentee Application by September 3.

Program Requirements

- Each mentor/mentee pair will create a developmental goal for the mentee to work on throughout the academic year
- Each mentor/mentee pair will engage in a meaningful interaction 2 times per semester (face to face)
- Mentors/mentees will provide feedback on the program as requested by program coordinators.

We look forward to seeing you at the kick-off event on September 17! For more information, contact Kerry Wallaert.

MSE Coffee & Conversations

Join us in fall 2019 for a new event – MSE Coffee & Conversations! This casual event will allow you to connect with MSE faculty and staff. More details to come soon regarding specific dates and locations.

Are You a Pre...

Professional schools typically admit students with strong academic credentials, a well-balanced education, good communication skills, and a broad range of experiences. With the appropriate selection of elective courses, most majors at Georgia Tech provide suitable preparation for professional schools in any area.

The best choice of a major is usually the one in which the student has the greatest inherent interest. No specific major offers an obvious competitive advantage in assuring admission to professional schools.

MSE Ethics Requirement

There is a mandatory Ethics requirement for the MSE degree.

These course options are different from the GT Ethics course options shown in the GT catalog. New SENIORS, please check your Degree Works page via Buzzport to verify you have met this requirement. If not, and you are planning to graduate fall 2019, you will need to pick up a course before end of Phase II Registration (August 23, 2019).

The MSE Ethics course options are listed in your Degree Works page under Core Area “F.” They are as follows: CS 4001, CS 4002, PHIL 3105, PHIL 3109, PHIL 3127, PHIL 4176, HTS 1084, HTS 3032, INTA 2030, LCC 3318 or PUBP 3600.

Courses: HTS 2084, HTS 3032, INTA 2030 & PUBP 3600 can be used to satisfy dual requirements such as Social Science + MSE Ethics or Humanities + MSE Ethics.
