October is the month of Advisement, Registration and Deadlines! Now is the time to begin planning out your desired spring 2023 course schedule. Start by reviewing your Degree Works file to confirm that all transferred credits have been received in, check off what you’ve already taken thus far, and map out what classes are remaining, paying close attention to the Curriculum changes (if applicable). If you need to declare a "Concentration" that can be done with three clicks of a mouse. Attending a Group Advisement session for your class level is Mandatory to Remove Academic Hold on your account. Plan accordingly and add a session to your schedule.

Shirley Manchester  
Undergraduate Academic Advisor
